To Whom It May Concern

Re: NM Contracting, LLC

All Pro Contractors, Inc. has been doing business with NM Contracting, LLC for the past two years. We have good working relationship and have experienced no problems with NM Contracting. They are currently working for us on the Raymondville Rural Technical Center and La Joya ISD Pavilion Enclosures.

During these projects they have demonstrated a level of professionalism that has left us few worries during and after construction. Overall, we have a good working relationship with this company and hope it will continue.

If you have any questions feel free to contact us.

Sincerely,

Richard Daughtry
Vice President
